### **Race Day Volunteer Opportunities**

- **Course Marshals (21)** Stationed at important intersections along the route that are blocked to traffic. Signal and guide runners to keep them safe on the course while making sure no cars enter the course. This is a vocal and active role. *(Adults preferred for this role)*
- **Race Day Registration and Packet Pick-up (10)** Help runners pick up their packets alphabetically by last name at the Packet Pick-Up tent or assist with registration purchases and donations at the Registration Tent. Help runners fill out necessary forms if they have questions.
- **Food/Beverage (15)** Assist Marklund Special Events Director in the food tent by setting up the food, keeping track of empty trays and keeping the area clean. This role also includes tear down of supplies.
- **5K Water Station (5)** Set up and pass out waters to runners at the 1.5 Mile Mark
- **Course Volunteers (40-100)** Provide support, encouragement and direction by lining the course route (These volunteers will be transported to their spot on the course and can head back after the race sweeper passes). *\*Volunteers under 14 need to be accompanied with adult*
- **Race Sweepers (2)** Positioned at the end of the race line, walk the 5K course to alert Police Officers and Course Marshals that there are no more participants due to pass.

**Register to Volunteer**
