Residential Program

Marklund is a nonprofit organization
that has served infants, children,
teens and adults with profound
developmental disabilities and special
healthcare needs since 1954.

Making **everyday life** possible for
individuals with profound disabilities.

1

Marklund Hyde Center

1S450 Wyatt Dr., Geneva, IL 60134
Phone: 630.593.5500

Located on a 25-acre campus, this Intermediate Care Facility (ICF) provides for the specialized medical, social, emotional and physical needs of the 96 residents and community clients. The campus includes six 16-bed homes, a specialized accessible ballfield, and administrative offices, therapy treatment areas, beauty parlor, dentist office, onsite aquatic therapy pool and spa, large Multi-Purpose Room, meeting areas, as well as seven classrooms for the Community Day Services (CDS) Program.

2

Marklund Wasmond Center

1435 Summit St., Elgin IL 60120
Phone: 224.523.7530

The Marklund Wasmond Center is a skilled nursing and intermediate care facility for up to 85 children and adults with profound developmental disabilities. The five-acre campus includes the recently renovated and expanded residential facility and Community Day Services (CDS) center. Services include all fully vent-capable resident rooms, comprehensive respiratory care, dental services, various therapy offerings, social/community activities, as well as Marklund Day School classrooms.

At Marklund, many of our residents are non-ambulatory and have significant cognitive deficits due to genetic disorders, complications during pregnancy and delivery, Fetal Alcohol Syndrome, or drug abuse during pregnancy. Others acquired disabilities during infancy or childhood through tragic accidents. Many have complex medical problems that require 24-hour skilled nursing care and therapy interventions.
